What is Soul in the City?

Sponsored by the Diocese of Central Florida, Soul in the City is a week of ministry throughout the metro Orlando area through various outreach projects sponsored by Partnership Parishes. Students and Youthleaders from across Central Florida and beyond are invited to join a Partnership Church Project Team for a week of incredible ministry! Expose your students to God's heart for missions and Kingdom endeavor. Soul in the City provides a unique combination of practical ministry opportunities as well as powerful teaching, worship and equipping! We hope you will participate with us.

//:The Details

Partnership Parish//: This is a parish that is coordinating a community outreach initiative for the week. It could involve VBS programs, Backyard Bible Clubs, Mercy Ministry in low-income neighborhoods or other creative community evangelism. Partnership churches house the teams on their property and provide breakfast and lunch for participants. ***If you are interested in hosting an outreach project from your parish, please contact the Office of Youth Ministry as soon as possible.***

THE HUB//: Our Hub Church is Church of the Messiah, Winter Garden, FL. This will serve as the gathering place each evening for the various project teams. All participating groups will gather each evening at Messiah for dinner, worship, teaching, prayer and fellowship.

Participating Group//: A participating group is a team of youth and corresponding adult leadership that chooses to link up with one of the Partnership Parishes as a team member for the week. Once all the Partnership Parishes are identified, groups may choose which one they feel led to join in participation.
